## Greetings from our Team!

## Management Team

Hello VG Families and Friends!

It's the unofficial start of Summer and we all couldn't be more excited! With our restrictions easing, we've been able to enjoy more time together on our patio and in our lobby for musical performances by our favorite entertainers. Logan will be back in June for two programs and our volunteer, Tammy, is also scheduled for a show! We have a Father's Day BBQ planned for Friday, June 18th on our patio. Watch for your e-mail invitation. We hope you'll be able to join us.

As the weather continues to get warmer, we want to remind you to make sure your loved one has light clothing and a hat or sunglasses. If you are visiting, please make sure to offer them water or a cold beverage. We all enjoy the warmth of the sun but need reminders to hydrate and protect our skin.

We welcomed a new nurse to our Vista Gardens Team this past month. Allison DiCiolla-Parra is our Resident Care Manager and works side by side with Rachel and her team. She is a newlywed and is thrilled to have two "bonus" sons. Allison has been an LVN for over 5 years and her professional career has been dedicated to serving the senior population in residential communities. We are excited to have her join our team!

If you or your loved one have not yet received the covid-19 vaccine, Ron's Pharmacy will be administering both the Moderna and Johnson & Johnson shots here at Vista Gardens. Please contact Evelyn if you are interested in signing up for your vaccine.

We wish everyone a safe and healthy Memorial Day and summer. We are grateful to have you as part of our Vista Gardens family.

## Employee of the Month

**Justina M.**  
Caregiver

Justina is an exceptional caregiver. She was nominated by several of the residents on her daily run. They say she always checks in to make sure they are doing well, even on days that she is not assigned to their care.

Her supervisors praise her as a hard worker, saying that she is always busy and very dedicated to providing excellent care to our residents.

Justina lives in Vista with her two sons and three daughters.

## Resident Spotlight

### **Maureen R.**

Maureen was born and raised in Gourrock, Scotland. She met her husband, Roy, at a ballroom dance that was held every Wednesday and Saturday in her home town. They married soon after that and raised a daughter and three sons.

Roy later accepted a telecommunications position in Durban, South Africa. They lived in a lovely home that was directly across the street from the Indian Ocean and her children swam every day after school.

Maureen's son Robert owns an aerospace company in San Marcos that supplies products for the government and the golf industry. All of her children are employed in the family business and Maureen worked there as a bookkeeper as well, before coming to Vista Gardens.

At Vista Gardens, Maureen enjoys outings, Bingo, movies and live entertainment; especially by her favorite piano player, Logan.
